CUISINE for ART

THE CENTER
50TH
ANNIVERSARY

We invite you to be part of the 27th Annual Cuisine for Art as the Art and Culture Center/Hollywood celebrates 50 years of service to the South Florida Arts Community. This year we will honor the Seminole Hard Rock Hotel & Casino, Maestra Sebrina Alfonso and Mindy Solomon for their support and advocacy in strengthening the arts.

Cuisine for Art advances the mission of the Center to cultivate creativity and the support of the arts in our community through education, innovation, and collaboration. The dinner and auction event engages our Elected Officials and Community Leaders as Celebrity Waiters and recognizes valued partners and art leaders. The goal is to raise much needed funds for the Center's youth and senior arts education programs, contemporary arts exhibitions, stage performances, Emmy & Telly award winning documentary film series, and the Jennifer Gardella Memorial Scholarship Fund.

We hope that you will be part of this worthy endeavor through a generous sponsorship, ticket purchase, program ad or general donation. Your thoughtful consideration to support, advocate and learn more about the Center is appreciated!

Maestra Sebrina Alfonso

Maestra Sebrina María Alfonso is a luminary conductor, and the driving force behind the South Florida Symphony Orchestra (SFSO). She made her debut in New York in 1994 conducting the American Symphony Orchestra and has graced the stage with world-class ensembles around the globe. Alfonso made history as the first female conductor of Cuban American descent to lead the National Orchestra of Cuba. Maestra is an embodiment of commitment to enriching the cultural landscape and initiated the Symphony in the Schools program in 1997, a testament to her mission to ensure early exposure to classical music, serving over 100,000 under-resourced students to date. She is driven by her belief that music is pivotal to thriving communities and shares her boundless love for the art through her tireless pursuit of excellence, pushing boundaries and revealing new dimensions of artistic wonder.

Mindy Solomon

Mindy Solomon is a dedicated educator, advocate, and collector with a deep commitment to the visual arts. She holds a Bachelor's and Master's degree in Studio Art and Art Education from Case Western Reserve University and the Cleveland Institute of Art, with additional studies at Ursuline College, Lacoste School of the Arts in France, and Tyler School of the Arts in Philadelphia. In 2009, she founded Mindy Solomon Gallery, which specializes in contemporary emerging and mid-career artists across various mediums, including painting, sculpture, photography, and video. A key figure in the Miami arts scene, Solomon is a founding member of the Progressive Art Brunch and serves on the Women's International Committee at the Perez Art Museum. Her gallery program explores the intersection of art and design, while promoting diasporic voices and fostering a vibrant sense of community through inventive exhibitions, museum visitations, and public lectures.
